

# Max-Racks

## R-Series

### Product Description

Get your investments off the floor and into an R-Series Max-Rack: A rolling media rack capable of storing up to 16 rolls of media. The fully welded frame provides extreme strength and supports up to 1000lbs. Max-Racks feature high-quality German-made total-lock casters - that lock the rotation and angle of the wheel - for easy control and protection of floor surfaces.

The Galaxy Max-Racks R-Series includes the R2 and R3 rolling media racks. The R3 can hold up to 16 media rolls with a 3" core. The R2 offers slightly smaller posts and can hold up to 16 media rolls with a 2" core. As a bonus, the R-Series ship assembled and ready to use - simply open the box and put them to work!
