

# ASSEMBLY INSTRUCTIONS

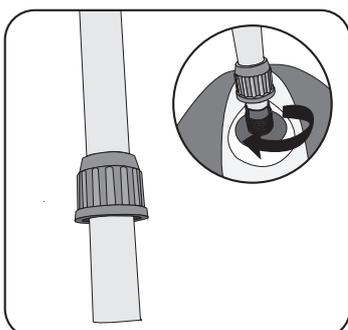

## COMPONENTS:

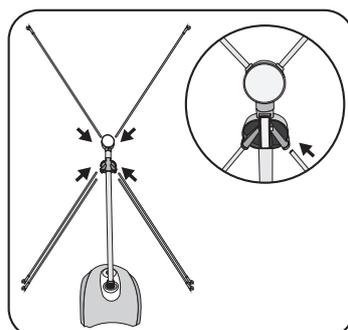

**1** Unscrew the top and bottom of the pole holder and insert it into the base.

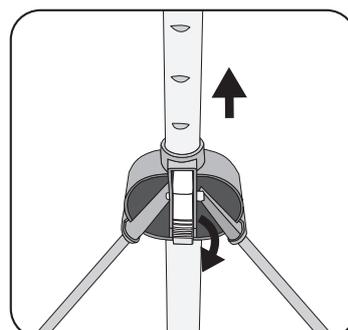

**2** Flip the base and tighten the bottom of the pole holder to secure it in the base.

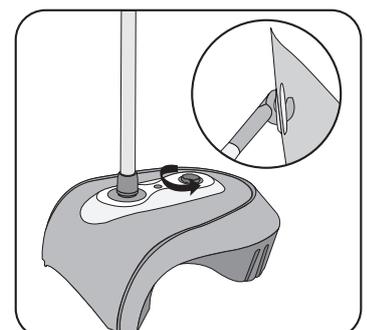

**3** Slide the top of the pole holder onto the support pole and place the bottom of the pole into the holder attached to the base. Tighten the top piece of the holder gently. **DO NOT OVERTIGHTEN POLE HOLDER TO ELIMINATE GAP.**

**4** Place the upper and lower arms into the holes on the support base. If using the stand as a double-sided unit use the two pronged upper support arms, as well as both sets of bottom arms.

**5** Press the white lever to release the pole. Pull the pole upwards to extend it.

**6** Mount the graphic on the hooks, starting from the top and then on the bottom support poles. Twist off cap found on of the base, and add additive of choice. **For outdoor displays with hollow plastic bases, use additives or sand when using in temperatures below 0°C (32°F)**
