EnviroCheck✔

100M Permanent Self-Adhesive Media

PVC FREE

MADE IN BRITAIN

Product Description

Galaxy EnviroCheck 100M Self-adhesive Media is a premium, PVC-free, white matte top-coated polypropylene film, with a grey permanent adhesive. It is protected by a moisture stable, stay-flat PE kraft liner. Suitable for indoor and outdoor display graphics, with up to 4-year outdoor durability.

The **PVC-free** composition is an excellent environmental choice for brands looking for a sustainable way to visually communicate.

Ink Compatibility: ◇ L   ◇ UV
